It raises the key question: How do the senses gather and secure information about the outside world? This only thing that I don't like is that the vendor put this big sticker on the side to advertise their website.

Sensation and Perception: an Integrated Approach: Schiffman, H.R.: 9780471514213: tools.github.ffxiv.cn: Books

May contain limited notes, underlining or highlighting that does affect the text. The authors explain how the physical world interacts with and stimulates the senses, and, in turn, how the sense and the nervous system transform, integrate, and process the stimulation. Somesthesia I:

Kinesthesia and Cutaneous Sense.
