## British Foreign Policy

Congress sought to finance the war with paper currency and by borrowing rather than by taxation. Even though I did not live through World War II nor am I British, listening to his speeches on YouTube really gives me the chills. Schweizer Lord Palmerston, 1784- 1865: A Bibliography Michael S.

## May You Live In Interesting Times

The position of Great Britain and her Colonies was, owing to our unskilful diplomacy and consequent isolation, one of constant tension and of extreme insecurity. France naturally was afraid after 1870, and she made her military preparations and the Dual Alliance with Russia.

## Lives of British statesmen : Macdiarmid, John, 1779

Besides issues of party management many Liberal MPs, including at least a third of the Cabinet, and the Liberal press apart from the Westminster Gazette, wanted Britain to stay out, Asquith and Grey genuinely believed that openly backing France and Russia would make them more intransigent, without necessarily deterring Germany. The transatlantic slave trade, which undoubtedly still has an influence on the world today, can trace its roots to the slave trade within Africa, as the historian Marcus Rediker describes in his 2007 book The Slave Ship.
