They struggle individually with views and beliefs. Mortiz Mexico City, Mexico , 1962, 3rd edition, 1975. The same themes were present throughout the book, as he brought out similar ideas in different forms and essays.

**The Labyrinth of Solitude: Life and Thought in Mexico: Octavio Paz, Lysander Kemp: tools.github.ffxiv.cn: Books**

They pass around dog-eared copies of the books, underlined and yellowing, recalling words that echoes in their readers hearts and minds long after the last page was turned. While attending law school, however, Paz found himself drawn to leftist politics. Their tearing-out of hearts and their monumental pyramids, their sculpture and their ritual cannibalism, their theocracy and their great myths, are all an indissoluble one.

I first read this book in the early 70's and enjoyed it immensely.

**The Atlantic**

Man is the only being who knows he is alone, and the only one who seeks out another. To understand the struggle of a culture, in this instance Mexican, and recognize the history of its people can only improve an understanding of the present day. It is both poetic and politically far-seeing.

**The Labyrinth of Solitude: Life and Thought in Mexico Quotes**

. So although there can be little doubt of the picture he paints, I do not feel it is a positive picture to produce.

**The Labyrinth of Solitude: Life and Thought in Mexico Quotes**

THE LABYRINTH OF SOLITUDE AND OTHER WRITINGS was an interesting read that I picked up in Mexico, a reflection on the identity of

the Mexican people by Octavio Paz.
