Christianity

One of the features of religious life in the strictly monastic tradition is that everything is done together. There are everywhere souls that willingly follow these inclinations, and consequently religious souls. Rules taken from the sacred canons were even drawn up for their use, of which the most celebrated is that of St.

Religion in Guatemala: Mayan Spirituality, Catholicism, and Christianity

Thus it became usual to designate as congregations those institutes which resembled religious orders, but had not all their essential characteristics. The poem is written from the point of view of a practitioner and provides an extraordinary insight into the process of inner transformation one goes through while traversing the Bodhisattva path.
