## Jews of Warsaw, 1939

Memoirs, anthologies, coffee-table books, novels and textbooks run thickly from the presses. Sur le fond c'est vraiment un livre de référence qui donne des précisions absentes de livres qui traitent du même sujet en français. Pour tous ceux qui s'intéressent à l'histoire de la Shoah c'est à lire et à relire. A regretter quand même une partie de la fin de la révolte est un peu escamotée. It took the Nazis longer to quell the Warsaw ghetto uprising than it had taken them to defeat entire countries. The Jews of Warsaw, 1939-1943 is a massive scholarly undertaking, at once authentic, scrupulously objective, and deeply moving.
