They should always be aware of their surroundings and never allow themselves to be too vulnerable or have their reputation called into question.

### Operating schools during COVID

Each state provides laws governing education agencies, hiring and termination of teachers, tenure of teachers, and similar laws. Provide meaningful and frequent feedback Try not to fall behind in grading and recording and don't take shortcuts. Under this act, a school district may not dismiss or demote a pregnant teacher on the basis of her pregnancy, nor may a district deny a job or deny a promotion to a pregnant teacher on the basis of her pregnancy.

### Operating schools during COVID

Drinking fountains should be cleaned regularly.

### Teacher Rights

These freedoms are based on rights to freedom of expression under the First Amendment of the Bill of Rights. Note that in this context, due process does not prescribe the reasons why a teacher may be dismissed, but rather it prescribes the procedures a school must follow to dismiss a teacher.

### Rights of Teachers

Research educational resources before recommending or using them to make sure others have had a positive experience from a security, online safety and privacy perspective.

## **Students and Online Safety: A Teacher's Guide**

What rights does the Civil Rights Act seek to protect? Leave policies should also account for employees who need to stay home with their children if there are school or childcare closures, or to care for sick family members. Download PDF Technology tools and apps are making it possible for educators and students to collaborate, create, and share ideas more easily than ever. In Illinois, th Teacher's certificate may be revoked or suspended for immorality, health condition detrimental to students, incompetence, unprofessional conduct, neglect of duty, willful failure to report CHILD ABUSE, conviction of certain sex or narcotics offenses, or other just cause.

## **Students and Online Safety: A Teacher's Guide**

Having a policy will help pupils understand how seriously they should be taking their online safety. Thus, requirements to attain or maintain a certificate may be changed and applied to all teachers and prospective teachers. You should also be aware that school authorities may be able to access content that you post on social networking sites without having direct access to your personal profile.

## **The Educator's Guide to Student Data Privacy**

The First Amendment will protect you from discipline. Once students have completed the questions, the teacher should evaluate them according to the depth of answer desired, the amount of time allowed for the assignment as well as any other criteria established by the teacher, such as spelling and grammar. Some tools have already been vetted If your school or district has an approved list of ed tech products, services, websites, or apps, check that the service you use is included and ensure you are aware of any requirements or privacy options.
