Finding success stories: Anecdote

But if your paradigm is focused on Production, on getting the room clean, you might find yourself nagging her to do it. It balances the desire to have a room clean and the building of a relationship in which the child is internally committed to do it -- cheerfully, willingly, without external supervision.

The Stacking Benjamins Show

I was unable or unwilling to give patience or understanding, so I expected her to give things. No step can be skipped.

Fehn 8 Writer's Market '95 There is no query formula that guarantees success, but there are some points to consider when you begin.

Thanissaro Bhikkhu: (Geoffrey DeGraff)

Teen pregnancy was and still is a common occurrence. I don't know my wife and children anymore. One of Robin Cook's most successful—and timely—bestsellers, Contagion is a terrifying cautionary tale for the 21st century as a deadly epidemic is spread not merely by microbes—but by sinister sabotage.
