Bicameralism in Stable Democracies

Flying Air Force One low over a city that flinches everytime it hears a jet engine is irresponsible. We come to the consideration of the question to-day in a totally different position from what we ever did before — and if the House will grant me its indulgence, I think I can present unanswerable arguments to show that this union of all British America should be heartily and promptly accepted by all the provinces. For, to repeat the point lest it be overlooked, all power is established, every fortress built, every army organized, against internal at least as much as against external threats.

The GAO 1995 estimates that providing a full subsidy to mothers who pay for child care could raise the percentage of poor mothers who work from 29 to 44 percent and that of near-poor mothers who work from 43 to 57 percent. Similar processes happened in many Chinese cities. But let us see what followed.

Politics

While federal funding targeted for child care appears to be relatively stable, it has dropped in real terms over last few years Adams and Poersch, 1996.
