**LoS: 16 CFR**

International administrative personnel has been reduced from 264 to 117 by substitution of Palestine refugees wherever it has been possible to do so. Similarly, where an individual applicant is not the sole owner of the corporation that is using the mark, the fact that the individual applicant is a stockholder, director, or officer in the corporation is insufficient in itself to establish that the corporation is a related company.

## Occupational Exposure to Asbestos

At least 15 of the 25 factories that did work on a subcontracting basis reviewed by Human Rights Watch did not appear to be monitored by BFC in July 2014; 14 factories did not appear to be monitored by BFC according to its latest January 2015 list of factories. Working conditions were typically worse in subcontractor factories than in larger export-oriented factories. Within days of notifying the factory, Devoum Chivon, the union president-elect was called to meet the owners. See - for the appropriate format for identifying the applicant and setting forth the relevant legal entity.

## Labor Rights Abuses in Cambodia's Garment Industry

Circuit Court of Appeals, in remanding the issue of lowering the PEL to the Agency, noted that based on the 1984 risk assessment, the excess risk stemming from average exposures of 0. See *In re Media Cent.*

**RSC 1985, c E**

As in all nations before it, the pursuit of trade and competition has instilled in Australia a thirst for greater efficiency at home and a larger dominion abroad. Therefore the following activities will be listed and will require implementation of the provisions of the mandatory appendix F appendix L in the shipyard employment standard : clutch and brake inspection, disassembly, repair and assembly.

**LoS: 16 CFR**

Owing to various causes, amongst which are the vanishing resources of refugees who formerly rented rooms, there is a trend toward higher population in tented camps. Therefore, rather than set operation-specific permissible exposure limits, OSHA proposed to further reduce risk by requiring certain additional work practices. Human Rights Watch interviews and group interviews with workers from factories 1, 3, 5, 7, 9, 10, 11, 12, 15, 16, 17, 18, 19, 20, 21, 26, 27, 29, 30, 31, 32, 33, 34, 36, 37, 38, 40, 43, 46, 47, 48, 49, 51, 52, 53, 57, 58, 59, 60, 61, 62, 66, 68, 69, and 71, 72, Phnom Penh and other provinces, November and December 2013, and April 2014.
