Find out when they made their debut, what films they have appeared in, what are their most famous character traits, and much, much more! She wrote Perverse, Adverse and Rottenverse, a collection of humorous essays, and Did You Grow up with Me, Too? It could have been a great wealth of knowledge to animation fans, but when such glaring mistakes are present, it just tells me that the author did not care enough to do even the most basic research at times. This encyclopedia covers all English language animation from the crucial first eighty years of its history.
