## Epistle to Yemen/Complete

Now his master saw that the Lord was with him and how the Lord caused all that he did to prosper in his hand. None of the records ever tells of an appearance of the risen Christ to anyone who had not been a follower of Jesus or like Paul had not been deeply disturbed by him. And that it never was given, as a general means for securing the unity of faith and Christian communion, is sufficiently evident from the varying and contradictory sentiments, opinions, and views of those who pretended to have received the benefit of such divine illumination.

## Edward Feser: Empiricism and sola scriptura redux

If the Church which Jesus Christ founded has thus perished, no true Church now exists, and we are neither wise nor secure, in yielding obedience to any of these Churches, which men have established to suit their own peculiar fancies. Every one of our distinguished scholars made little of his declaration, discounted what he did and censured him sharply for it. Nor can any one who has enthroned the Saviour in his heart as the Son of God and the King of men, have any misgiving as to whether he has the truth or no.

## The Mercy of God

He showed himself the determined enemy of evil. Whoever joins them is just like his seducer. Illustrate the splendor of the combined oxy-hydrogen light.

## John 16

## John 16

Hi Cletus van Damme and Matteo, You both raise very good questions about the objective criteria for determining which books are in the canon. Why should we agree with him that certain interpretations are merely the product of willful distortion, ignorance, etc.
