Students will also participate in grocery shopping for a week's worth of food. Help your students learn the best ways to be healthy and fit with these different activities! This is a tremendous blessing, and so well put together.

Homeschool Home Economics Course

I also talked with them about this thing called Home Ec class that I took back in high school that is not taught anymore. I have been unable to find a course code for high school for cooking or home economics. I am a bit disappointed that when the course changed recently, you removed the spiritual character aspects.
