## Report to the Secretary on Private Financing of Long

The project came to successful conclusion in terms of RAL's technical work which was undertaken jointly with the University of Manchester. The trend in elderly living alone can be expected to continue and perhaps to expand, at least in absolute numbers. The current policy The spouse employment assistance policy, which was adopted in February 1997 and is now generally in operation, has a self-help emphasis. These are reflections of the patriarchal values and attitudes which are dominant in society. I am convinced that these new proposals will streamline the present system and provide a more effective means of giving support to the homeless.

Extreme ADL dependency and dementia are among the same variables that are most strongly predictive of nursing home use. Although the VA has recently developed an adult day care program, the program is so new that data on utilization and expenditures are not yet available. For reasons such as these, it is unlikely that the shape of future Defence Budgets will support a significant increase in the salaries and conditions of ADF personnel.

This will be followed by a discussion of recent developments in pay reform. It is this package for promotion of educational and economic interests which form the basis of the Committee's perspective on education for the Scheduled Castes, tribes and other backward sections. Many administrative procedures work on the basis of people occupying a permanent address.
