**The brief calculus, with applications in the social sciences : Shockley, James E : Free Download, Borrow, and Streaming : Internet Archive**

Moreover, the Flashback often reviews the necessary skills and concepts from previous chapters. The videos can be used as lecture starters or as part of homework assignments in regular or flipped classes. For those that are not mathematically inclined, this can be a relief, but it is still quite a tough course! This is something that may be worth checking into if you know it is in your future.
