## Sportsman 2100

The notebook is still pretty light and thin for a 17-inch powerhouse. The image below is practically the same as the one above, but this time, you can see the colors that have 100% and 50% saturation and the reference colors on the white dots. The last couple of models we tested from Acer featured great touchpads but the new Aspire V15 and V17 Nitro notebooks are nowhere near what we are used to.

## Fashion Business: EP2.2 v17

Our tests, although extreme, show some signs of instability that should be considered in the long run. Design and construction The new V 17 Nitro keeps it true to its roots with modest changes in the design department.
