The Story of 1950s Art

It can be read as translating the expressive, gestural style and automatist principles of Abstract Expressionist painting into sculptural form.

Fine art of the 1950s timeline

So he forged ahead, and without running water in the studio, improvised by printing with the copious amount of beer they had on hand. At Bolton Landing, he ran his studio like a factory, stocked with large amounts of raw material.

David Smith Paintings & Artwork for Sale

David Smith - Australia, 1951 Early pop art of 1950s decade During the 1950s in Britain, there was early pop art movement lead by and but it quickly spread to american culture in work of and.

David Smith

He also began his practice of making sculptures in series, the first of which were the of 1951-59. Star Cage does not offer a dominant view, but a shifting sequence of possibilities when viewed from the back, front and sides.
