After returning to the monastery the Buddha is said to have instructed that the blessing should be given before the meal is taken. Presumably, these visitors contributed greatly to the production of merit. When the spring winds move the trees, the orchids unfurl their purple petals.

My Japanese Self

Similarly, telecommunication and power networks, factory systems, and industrial complexes had all developed into large technological networks. Yang Tinghe ignored this point when drafting the edict.

Science for the Empire: Scientific Nationalism in Modern Japan

To solidify the authority of the state as well as to instill a sense of national community, the Meiji government elaborated an imperial ideology that emphasized the distinctiveness of the Japanese nation; unlike other nations that had experienced dynastic changes, Japan was a unique nation ruled through the continuing, single line of the divine emperors for more than two thousand years. Thus a colophon on a copy of the Visualization Sūtra states that the copy was commissioned because a man named Hu Sijie and his wife were both ill. Mingzhou began to emerge as a flourishing local society only during the Southern Song; we are simply bound to know more about Southern Song Mingzhou.

Buddhist Monasticism in East Asia

The level of regional coordination should be taken into account as well. Asada, Ryō taisenkan no Nichibei kankei, 226, 228. Only a significantly shorter version of this inscription is included in the QSW, which does not contain the information discussed here.
