### Harpsichord reproduces flavor of the Baroque at Fair concert

The instrument had no metal strings at all.

### HIS SUMMER PROJECT

He too built several types of lute-harpsichord. His beautiful instrument gives a truly wonderful sound, very rich and sonorous but with a soft attack.

### Harpsichord reproduces flavor of the Baroque at Fair concert

Two choirs of gut strings seems to be the practical maximum, though a third choir strung in brass is sometimes found. This consideration encourages the builder to keep his design simple.

### Harpsichord reproduces flavor of the Baroque at Fair concert

As the key is depressed, the jack rises and the plectrum plucks the string. Cole, a ceramic artist by trade, has made seven guitars during the past year. Brazilian rosewood from trees 200 years old or older, cut 30 or 40 years ago, has the color, patterning and sound characteristics instrument-makers covet.
