## Refworld

He stressed that the citizenship issue has broad ramifications, not only regarding the specific issue of citizenship, but also for non-Germans' general feeling of belonging and acceptance in Germany.

## Germany's Merkel calls for unified European approach on migration

Its multiparty, democratic government paid reparations to individual Holocaust victims and to Jewish organizations.

## German chancellor Angela Merkel worried right

State Department spokesperson Morgan Ortagus lashed out, accusing the Chinese government of being behind the leak but offering no evidence. The petition does not wish to destroy the three minarets already in existence, but to ban the construction of any more.

## Chauvinism and xenophobia will lead to global assertiveness and more wars

They likewise allow migrants to keep in touch with their country of origin and give them a means of expression and of communication with members of their community. But this move only meant exporting our 'refugee problem' -- particularly to the poor countries in Eastern Europe.
