### The Awakening of George Darroch

Within My Big TOE, the physical universe and consciousness are fully integrated into a single scientific, tightly logical exposition that encompasses the subjective as well as the objective, the normal as well as the paranormal, the whole of your experience body, mind, and spirit. If you have a logical, open, and inquisitive mind - an attitude of scientific pragmatism that appreciates the elegance of fundamental truth and the thrill of breakthrough - you will enjoy this journey of personal and scientific discovery.

It will make you laugh, wince, and reconsider what you thought you knew about almost everything. We learn of difficulties with physicians who prefer passive patients, unexpected reactions of children and husband, incredible love and support from family and friends, and help from alternative therapists -- and spiritual healers.

### The Awakening of George Darroch

A book of spiritual teachings from international best-selling author and beloved inspirational speaker Dr. It is a story that will cause some to think and some to prepare as you witness some of the trials and tribulations that can occur when family and friends are omitted by proof of the main character portrayed. The author, in addition to his ongoing career in a traditional hard science, spent almost thirty years carefully researching altered states of consciousness both in and out of formal laboratory settings.
