A Real Woman? Defining Biblical Femininity: Support for those struggling with homosexuality

These videos demonstrate that ads on television and in magazines represent an exceptionally narrow range of acceptable appearance standards for men and women. The results of this constant message are countless stories of black women being exposed to toxic chemicals in hair relaxers used to permanently change their hair texture, some as young as the age of five and in extreme cases, younger.

Let's judge a magazine by its cover; A textual analysis of the covers of Gadis

Both Alan and Rob said that they would not purchase or consume feminine products in any public settings; and would only consume feminine products at home if someone else had bought the products.

From feminism to postfeminism: Women's liberation in fashion magazines

Women could not vote, hold property, or in most cases file for divorce. Violence is specifically targeted against a person because of his or her gender, and it affects women disproportionately. In this article, I argue that the dominant gender ideology is perpetuated by the magazine; however, the embodiment of the ideology is shifting from the girly adolescent image to that of a more mature and sophisticated young woman.

Toxic Femininity

Sociologists argue that media representations not only stereotype masculinity and femininity into fairly limited forms of behaviour, but also provide gender role models that males and females are encouraged to aspire to.
