## **Arts Education in Secondary Schools: Effects and Effectiveness.**

But you might learn some information about art therapy, at least the very basics and at no cost.

## **Arts Integration In School: 10 Reasons Why It's Important**

Through the current education reform in Wales, the expressive arts are to experience change to be more inclusive within the curriculum. A Final Report For The Project Period October 1, 1992-November 30, 1997.

## **10 Reasons Why Arts in Education Is so Important for Kids**

This report presents information over time on the availability and characteristics of arts education programs in public elementary and secondary schools by discipline music, visual arts, dance, and theatre. Cardboard can be chopped up and used as canvas to paint on, as a glue spreader, as sculpting material, or as pallets for mixing paint. Alternatively, this day could be a chance to connect to others around the world.

## **The Curriculum in Wales**

These subjects are deemed to have greater currency in a competitive global economy.

## **To foster a love of art in children, we must teach it at primary school**

I'm not entirely surprised to see the University take a step back. The secret to creating buy-in for Arts Integration always lies within the work that you do. Instead, both the content area and the arts area are interconnected.

## **How Could Expressive Arts Sessions Relate to the Four Purposes of the Curriculum?**

The pupils take both Royal Academy of Dance RAD and Imperial Society of Teachers of Dance ISTD examinations, and a variety of performance opportunities exist, in both large-scale productions and smaller performance platforms. You need to feel empowered and supported. The arts offer important benefits for children with disabilities, including access to the general curriculum required by IDEA 2004, as alternative assessments for children with cognitive disabilities, and as alternative learning methods for English language learners Sclafani, 2002; Huting, et al.
