**War and Peace in World Religions:
The Gerald Weisfield Lectures 2003
by Perry Schmidt**

Justinian could be pictured as a thirteenth apostle. They began providing relief services in the 1960-1970s and had also gone so far as to sponsor conferences for disputants.

Religion, Conflict and Peace

So, in essence, the nation worships itself. As respected members of society, individual national religious leaders have often been at the forefront of efforts to deny impunity and bring an end to fighting. One must work in an occupation that benefits others and harms no one.

Religion, Conflict and Peace

Course description In this course, we will explore a series of contemporary conflicts in different regions of the world with a special focus on identifying and analyzing the diverse and complex roles that religions play in both promoting and mitigating violence in each context. Content may not be reproduced without prior written permission.

War and Peace in World Religions: The Gerald Weisfield Lectures 2003 by Perry Schmidt

One advantage they appear to have is their persistence and commitment. A second element that has been dropped in just war theories was the requirement for purity of motive by rulers and soldiers.
