### Shocking tales from the court of Louis XIV

In his childhood he was so much neglected that no one dared go near his rooms. While I love to code, I am also passionate about politics, social justice, and philosophy. The number of spectators, all male, was probably around 100.

### Songs For The Sun King: Music From Louis XIV's Court At Versailles

The Splendid Century: Life in the France of Louis XIV. She was the last in a series of official mistresses which had included and , with whom he had several legitimated children.

### A Study of French Court Life Under Louis Xiv

If he decided to go hunting, the favourite sport of the Bourbons, the monarch would go to the park if he chose to hunt with weapons, and to the surrounding forest when hunting on horseback. Injuries became a daily occurrence, and so many died that bodies would be quietly removed at night in bulk.

### Songs For The Sun King: Music From Louis XIV's Court At Versailles

No detail was too small — he once declared that even passports could not be signed without his command — and he worked long hours to prove himself a committed administrator.

### How Versailles During the Time of Louis XIV Really Looked and Smelled Like

A number of suspects arrested during the affair accused Madame de Montespan of participating in a series of spectacularly sacrilegious ceremonies of love magic. Punishment Benigne, Marquise de Alluye La Voisin fled country to avoid trial; was later allowed to return Pierre Bonnard, secretary of duc de Luxembourg Lesage condemned to the galleys in May 1680 Marie Brissart La Voisin and Lesage fined and exiled Marie de Broglio, Marquise de Canilhac La Voisin never brought to trial Anne Carada Deschault and Debray executed 25 June 1681 Louis de Guilhem de Castelnau, marquis de Cessac Lesage fled country to avoid trial; returned in 1691 Mme Cottard Lesage admonished and fined Mme Desmaretz Lesage fined La Voisin exiled from the capital, but the exile was never enforced Madeleine de la Ferte, Marechale d. As a rule, the

perfumes of those times had very heavy aromas of animal origins such as ambergris or musk.

### **The Palace of Versailles: Sun King Louis XIV's Ultimate Power Play**

He even eventually legitimizes his children with his lover, a move that caused a lot of anger in the church.

### **Louis XIV: What France's Sun King did for art**

The task of building and decorating the ultimate royal residence was entrusted to artists such as , , and . Boats would regularly be seen on the water, among them gondolas presented to Louis by the Republic of Venice. Most of the court would leave after the King had finished dressing and prayer.
