## **5 Ways to Fight Poverty**

People can find stories from people in their community, find out about ways to work in their poverty-eliminating programs, and volunteer to give and work in their food drives. Their continued and long term support — as well as reaching out into the community for partner relationships with groups like The Salvation Army, the Department of Agriculture, and Volunteers of America — means that more and more people can find the help they need. You'll need to decide which group you want to focus on.

## **These are the challenges faced by India's urban poor**

For example, people living in wealthier neighborhoods are generally more educated and more conscious of taking care of their health. As should be clear, the problem of homelessness cannot be understood from the problem of poverty see.
