About

The Baron wanted to hear music, and the available players happened to be two violinists, a violist, and a cellist. For example, a is composed of one cello, one viola, and two violins. Haydn had enjoyed success as a singer at the cathedral and at court until his eighteenth year, but from that time on he was obliged to fend for himself as a freelance teacher and musician.

The String Quartet

The String Quartet

The premiere took place in April 2002 in the Calatrava wing of the Milwaukee Art Museum.
