Teaching Students with Learning Disabilities and Physical Impairments

Of course there are going to be lessons where the child is highly excited over something that's soon to happen: a birthday party, grandparents' arrival, etc.

Teaching Students with Learning Disabilities and Physical Impairments

Daniel's Music offers FREE after-school and evening music classes. Special education is my calling and I will retire an old woman loving my job as much as I do now.

Special Needs Programs and Classes for New York City Kids

And then that schedule is frequently interrupted by students being added to my caseload or dismissed from my caseload.

Remote learning poses hurdles for students with disabilities

Routine can be a great aid for students with ADD. In addition, Friendship Circle offers a monthly drop-off group.

Can Labeling Your Piano Keys Help You Learn Faster?

. As they adapt to shutdowns, some schools to provide lessons and therapy sessions, while others are bringing small groups of students back for services or training parents to help.
