We have now made our 12th different variety of your curries, every one a winner! The curry base will keep for months in the freezer until needed. Curry base tastes like a mild curry-flavoured onion soup, is made in advance and is the basis for most of the curries in the restaurant.

## restaurant mimicry

It gives the secret of Indian Restaurant Cooking — not the traditional cuisine practised by Indians at home — but the particularly interesting and distinctive variety that is served in Indian restaurants all over the world.

9780716008095

I never knew about this, I just figured restaurants had big batches of curry that they reheated. .
