## How did the Nazi consolidate their power?

The page comes from a Nazi school book entitled Introduction to Heredity, Family Studies, Race Science and Population Policy. The route by which this ideological notion — that it would be better to remove the seriously disabled — became a practical reality reveals a great deal about how policy could be made in the Nazi state.

Then, over the next 20 months, the T4 team organized the killing of 70,000 to 90,000 disabled people. One key example of an event posed as moderate was the Night of Long Knives. The page comes from a Nazi school book entitled Introduction to Heredity, Family Studies, Race Science and Population Policy.

## 6 Assassination Attempts on Adolf Hitler

Here, he is pictured on the far left, in a shelter on the Western Front. Hitler feared that the SA and Ernst Röhm, their leader, were a potential threat to his leadership. Prior to Hitler joining, the Nazi Party held extremely nationalist, racist and antisemitic views.

## What were Hitler's and the Nazi Party's ideas?

Significantly he said that medical resources could be put to better use in any forthcoming war. Prisons soon became stretched for space. Hitler also wanted to rid Germany of the disabled, homosexuals, Roma and Sinti, and other minorities that did not fit in to his idea of an Aryan race.

## 6 Assassination Attempts on Adolf Hitler

People could be imprisoned for any or no reason. As the SA were known for being violent and unruly, many saw this as a legitimate move by the government to ensure public order. In November 1923, the others involved in the plan began to have second thoughts after hearing that the army in Berlin would defend the government.

### **What were Hitler's and the Nazi Party's ideas?**

Although President Hindenburg and the Reichstag continued to exist, Hitler could now govern by decree. His oratory skills soon became indispensable to the party. On the 4 October 1933, it was declared that all editors must be Aryan.
