## 10 Difference Between Spirituality and Religion Worth Reading

But a peaceful world, based on attention paid to both inner peace and outer peace, including social justice questions, is indeed one possibility for the 21st century. The most obvious hypothesis would argue that people are overwhelmed by the increasing pace of change today, and are desperately seeking something that they can believe in as a mooring to help them through all this change in the outer world which is uprooting their lives and creating great insecurities in their lives.
