Ridiculously good' Dan Snow 'The black earth was already baking and the sun was just rising when they mounted their horses and rode across the grasslands towards the horizon on fire. Praise for Red Sky at Noon 'Red Sky at Noon is an epic adventure story set against the backdrop of the most awful war in human history. In this searing tale of love and war, most moving is the redemptive relationship between a soldier and a nurse that blooms amid the brutality.

He enrolls in the Russian cavalry, and on a hot summer day in July 1942, he and his band of brothers are sent on a desperate mission behind enemy lines. In Happy Moscow Platonov exposes the gulf between this premature triumphal ism and the harsh reality of low living standards and even lower expectations. In a variety of styles ranging from the grotesque to the sentimental to the absurd, Platonov lays bare the ways in which language itself has been debased, even borrowing slogans from Stalin's own speeches for comic effect.

Golden is plunged into a world where violent death could arrive at any moment and any pleasures that present themselves an unexpected affair with an Italian nurse, for example must be seized immediately. Gripping storytelling allied with intimate, unsqueamish knowledge of Russian history - a special combination.
