Kubo and the Two Strings Film Still A cheeky moment between Beetle and Monkey. In 1954, he visited Yokohama, Hong Kong, Thailand, India, Lebanon, and Turkey before settling for a while in the Irish countryside.

### Frank Stella: A Retrospective

All exhibitions and events are free and open to the public. A mesmerizing riot of sights and sounds, Nam June Paik brings together more than 200 works by the visionary experimental artist who bridged art, music, performance, and technology in groundbreaking ways, and whose influence is

still felt in the art, pop culture, music, and film of today.
