Hogg, James 1770

Adam Gordon and George that their visit to the Highlands, though thus long delayed, was not to be abandoned; and though they had, through the machinations of an incendiary, lost the season of delight, they would still find plenty of sport in deer-shooting.

The Private Memoirs and Confessions of a Justified Sinner: Written by ...

A TLS International Book of the Year TLS, Dec 7, 2001 This now-famous book was given a hostile reception when it first appeared in 1824. She had imbibed her ideas from the doctrines of one flaming predestinarian divine alone; and these were so rigid that they became a stumbling block to many of his brethren, and a mighty handle for the enemies of his party to turn the machine of the state against them.

Private Memoirs and Confessions of a Justified Sinner

The editors narrative is even more concretely dated and situated in present time, external to the novel, through the device of the letter by Hogg included by the fictional editor which was in fact published in Blackwoods Magazine as described. It has also been acclaimed as one of the defining texts of Scotland, with Iain Crichton Smith recently applauding 'a towering Scottish novel, one of the very greatest of all Scottish books'.

The Project Gutenberg E

But, as they strolled about the city, the rancorous eye and the finger of scorn was pointed against them. A brother he certainly was, in the eye of the law, and it is more than probable that he was his brother in reality. On the day that Robert is told he is one kames the elect, he meets a mysterious young man under whose spell he gradually falls.

Hogg, James 1770

Its annotation adds very substantially to the contributions of previous editors, for example by showing various layers of hitherto undetected references. The metaphors are so strong and so appalling that Miss Logan could only stand them a very short time; she was obliged to withdraw in confusion. We will go by ourselves first, and I will tell you if it is necessary to send any farther.
