Homeschooled Students' Adjustment to College

Expectations and guidance vary greatly from school to school and even teacher to teacher , so what one family is doing with their kids might not make sense for yours. Homeschoolers who are aiming at top schools are advised to think carefully about how they want to present themselves during admissions. Don't be overly judgmental You may find yourself dealing with a family whose attitudes, values and dynamics are at variance with yours.

Homeschool synonyms, homeschool antonyms

This recognition brought upon new state laws and regulations that apply to homeschool options. Barbara Dear Dannett, Thanks for your comment.

Five Barriers Associated with Inclusion Education

James Dobson, founder, and former chairman of Focus on the Family has a lot to say on the topic of rewards for kids.

Teacher's advice on homeschooling during COVID 19 crisis

Select tests carefully and prepare for them properly. The College Adjustment Scale allows for the measurement of the experience and expression of adjustment problems among the college students. Remember they may need their phone now more than ever, as it gives them access to essential social connections.

Teacher's advice on homeschooling during COVID 19 crisis

Results T able 1 shows a comparison of the mean scores and standard deviations of the home schooled students and the traditionally educated students on each subscale of the CAS.
