What is Globalization? What are Cultural and Social Dimensions of Globalization? Explain

At a somewhat more sophisticated level, the modernist perspective sees religion revivals as sometimes being a reaction to the Enlightenment and modernization.

Global Culture

In significant respects, therefore, the post-1945 era saw the maintenance of a hegemonic, core-periphery structure in which a Western core was surrounded by regional international orders that existed in varying degrees of differentiation from, and subordination to, that core. First and foremost, a world of decentred globalism will be one in which more states and peoples acquire the configuration of power associated with global modernity.

Modernity

By taking these steps, IR would have set itself up to become the intellectual space in which synthesising debates across the social sciences could take place. The British authors Stuart Hall, David Held and Gregor McLennan consider globalization as a complex process which extends the scope of modernization.

The Global Transformation: The Making of the Modern World

Russian student can look of Indian author on the internet. In a similarly negative vein, large countries like India, China, Mexico or Japan, which were previously powers to reckon with, were not either not able or not allowed to adapt to the industrial and global trends.

What is Globalization? What are Cultural and Social Dimensions of Globalization? Explain

However, the economic interpretation of the European Commission is contested by several authors, important among them is Thompson 1999.

Revolutions

All of these were ideologies, even idolatries, of the state. Industrial society emerged only patchily and unevenly out of agrarian society, a system that had endured for 5,000 years. There was some kind of globalization in early 16th and the late 19th centuries.

Foran J., Lane D., Zivkovic A. (eds.) Revolution in the making of the modern world [PDF]

This new model of economic reforms is commonly known as the LPG or Liberalization, Privatization and Globalization model. Robertson writes: I deal with globalization as a relatively recent phenomenon.

Globalization, Culture, and Identities in Crisis on JSTOR

One of those, the French Compagnie de Suez, constructed the Suez Canal, connecting the Mediterranean with the Indian Ocean and opened yet another artery of world trade.
