Literaturliste zu Religion

Thoughts on a Thematic Outline of the Ofudesaki Tenrikyo Overseas Department, Trans.

Bibliography of Tenrikyo

For one, the general organization of the collection is difficult to grasp, a problem that arose out of the complicated process of publication, which took almost forty years, beginning in 1901 and finally finishing in 1940. References to the are occasionally misnumbered as well.

Literaturliste zu Religion

The entire project, which is being supervised by the , is decades away from completion. Most importantly, the catalog contains data about the original configuration of the text by listing what was previously connected to the right and left sides of any given section.

Apocalypse in Japan

In the most general terms, my research challenges elite-centered narratives that have dominated scholarship on Japanese Buddhism and religious studies more broadly. Relying on its highly skilled staff, the Library encourages innovation, capitalizes on appropriate technologies, forges effective partnerships and aggressively promotes excellence. I am also interested in the expression of religious elements in the poetry and prose of the period, in particular how such works reimagine and recreate earlier narratives to fit contemporary religious and secular concerns.
