## Military Penal Act

The objector will perform civilian service, lasting for six months, in which he may find employment with a civilian institution that renders a public service, such as a kindergarten, hospital, or for the elderly. Parts of the MStGB have now also been embedded in the general StGB; this applies in particular to and.

## Conscription in Germany

Another provision exonerates everyone from military service who has two siblings who have already served. In the previous decade the ECHR had considerable impact on the administration of military justice, particularly the need for the independence of the courts martial system. Before, there was a rate in hours both services had to serve, which was then divided by the average daily work hours in military and civil service.
