Behavior Problems in Young Children
Behavior problems often first appear in preschool and kindergarten.

How to Deal With Preschool Children With Behavioral Problems

If you foresee your child throwing a tantrum at the store when she is denied a toy, explain to her before you reach the store that you are going to buy only groceries and not toys. This quest for autonomy can present new parenting challenges in terms of behavior and discipline needs. Kids may not always know what they mean — but they know what they are — and how they can be

Resist the urge to simply lecture. How successfully or unsuccessfully a child meets the demands and challenges arising from a given transition, and whether the child meets milestones on an appropriate schedule, can affect his or her future course of development, including risk for drug abuse or other mental, emotional, or behavioral problems during adolescence. Will Sophie remain stubborn when her new mum offers to help solve her problem? Dealing with separation anxiety, especially when going to school, is something you and your child are bound to experience.
