### The Parallax View (1974)

They seem to be in the business of identifying potential assassins, signing them up and hiring them out to clients. Amidst the activities, a winsome US Senator also the presidential candidate, his lovely wife and their entourage parties atop the Seattle Space Needle. Playing a recovering alcoholic reporter who wings his investigative application, this superstar daringly makes for an awesome political pawn.

### The Parallax View [1974] Review

Frady goes to the Parallax offices to see Younger, and is told he is not there, but then sees him leaving the building. The lived-in newspaper offices, wood paneled taverns, and spare motel rooms all get bathed in low light by a shadowy canopy that brilliantly heightens the worrisome tension. The was used as a filming location.

### The Parallax View

But at the same time, he is a stark contrast to the Woodward and Bernstein-type reporters. However, this visit to the small town makes Frady aware of the existence of Parallax Corporation. Pakula's 'Paranoia Trilogy,' The Parallax View didn't fare as well come awards time Jane Fonda bagged an Oscar for her performance in the former and he himself won Best Director for the latter but the film is every bit as stylish.

### The Parallax View

The messages are always pessimistic and give a sense of disillusionment with politics.

### The Parallax View [1974] Review

Later, at the newspaper office, Rintels listens to a secretly recorded tape of the conversation between Frady and Younger, then places it in an envelope with other such tapes.

### The Parallax View movie review (1974)

A Bobby Kennedy-type assassination follows, and the cornered waiter-assassin plunges to his death.

### **The Parallax View (1974)**

Any client will do; Parallax doesn't seem to be politically oriented and just practices good old American capitalism. Frady is accepted for training in the Parallax Corporation's division of Human Engineering in , where he watches a montage which associates positive images with negative actions. Frady attempts to follow one of the men back to the auditorium, but finds he had been locked in the catwalk area.
