**Canadian Journal of Criminology and Criminal Justice**

Increase the Effort	Increase the Risk	Reduce the Rewards	Reduce the Penalties	Remove the Causes
1. Target harder • Stealing victim's tools • Red-volley crimes • Target-prime parking	4. Increase probability • Take random possession • Control neighborhood watch • Unusual behavior to risk	11. Remove targets • Remove car radio • Remove car stereo • Remove car stereo • Remove car stereo	20. Reduce penalties and fines • Efficient justice and public safety • Efficient justice and public safety • Efficient justice and public safety	21. Remove causes • Remove causes and public safety • Remove causes and public safety • Remove causes and public safety
2. Control access to facilities • Entry phones • Security cameras • Security cameras	7. Assist natural surveillance • Improved street lighting • Increased space design • Support of neighborhood	12. Remove targets • Remove car radio • Remove car stereo • Remove car stereo	22. Reduce penalties and fines • Efficient justice and public safety • Efficient justice and public safety • Efficient justice and public safety	23. Remove causes • Remove causes and public safety • Remove causes and public safety • Remove causes and public safety
3. Remove causes • Take needed for sale • Support of neighborhood • Security cameras	8. Reduce opportunity • Take the law off • Take the law off • Take the law off	13. Remove targets • Remove car radio • Remove car stereo • Remove car stereo	24. Reduce penalties and fines • Efficient justice and public safety • Efficient justice and public safety • Efficient justice and public safety	25. Remove causes • Remove causes and public safety • Remove causes and public safety • Remove causes and public safety
4. Reduce opportunity • Take needed for sale • Support of neighborhood • Security cameras	9. Reduce opportunity • Take the law off • Take the law off • Take the law off	14. Remove targets • Remove car radio • Remove car stereo • Remove car stereo	26. Reduce penalties and fines • Efficient justice and public safety • Efficient justice and public safety • Efficient justice and public safety	27. Remove causes • Remove causes and public safety • Remove causes and public safety • Remove causes and public safety
5. Control access to facilities • Entry phones • Security cameras • Security cameras	10. Reduce opportunity • Take the law off • Take the law off • Take the law off	15. Remove targets • Remove car radio • Remove car stereo • Remove car stereo	28. Reduce penalties and fines • Efficient justice and public safety • Efficient justice and public safety • Efficient justice and public safety	29. Remove causes • Remove causes and public safety • Remove causes and public safety • Remove causes and public safety

Using Statistics Canada data, I would like to analyze three areas of concern, first the number of homicides, second who is committing the homicides and lastly violent crime relationships in Canada. Typical prison cell at KP. When political pressures do lead to new legislation, research that is compatible with the winds of political change may be acknowledged.

## Understanding Criminology Theories

Power in therapy: Techne and Ethos.

## Test Bank for Criminology: A Canadian Perspective 9th Edition Rick Linden

For those who were forgotten by the system we also need more outreach workers nurses, mental health crisis workers, support staff for families living in domestic violence situations and households with mental health issues.

## Canadian Criminology in Action

For example, changes in policy regarding spouse abuse and which are politically important may be based on or may reflect criminological research. In addition to the traditional research PhD and MA degrees, the department offered an MA in criminal justice in 1975 and a BA in criminology in 1982, which is the only applied program in the faculty of Arts.
