## Manual of Ski Mountaineering by Brower, David R.: Very Good Hardcover (1946) 2nd Edition

The manual intentionally deals with the highly specialized art of winter ski touring—and does it admirably—instead of with the broader field of general camping and mountaineering. . May be very minimal identifying marks on the inside cover.

## Manual of Ski Mountaineering by Brower, David, editor

This was retired from the Midwest Regional Library of The National Park Service and came to rest with a former chief ranger in RMNP.

## Manual of Ski Mountaineering by David R. Brower, Paperback

They know the functional aspects of clothing, the need of light weight equipment, and the vital importance of knowing what snow will avalanche and when. The Whyte Museum of the Canadian Rockies acknowledges the Government of Canada Department of Canadian Heritage through the Museums Assistance Program for their generous support in funding this site to enable online access to the source materials used for the research, exhibition and publication of Artistry Revealed: Peter Whyte, Catharine Robb Whyte and Their Contemporaries, which was in honour of the 50th Anniversary of the Whyte Museum of the Canadian Rockies.

## AAC Publications

If ski touring, especially in the High Sierras, plays a part in your life, you will seize avidly upon the Manual of Ski Mountaineering. The dust jacket for hard covers may not be included. Book is a great example of the emerging post WWII sports of skiing and climbing outdoor adventure.
