Follow Flask Walk towards Hampstead to find The Flask. I called my local branch this morning and they said not to come in, that I need to wait for a call, but they had no idea when that would be.

**Philip Rucker**

The links between sublime landscapes and ideas of liberty were forged in the 18th century. This noted hostelry has long been a famous place for public and private dinner-parties and suppers, and its gardens and grounds for alfresco entertainments.

After his death in 2008, the house became derelict and although there were attempts to get the house listed and restored, planning permission appears to have been given for demolition and construction of a new house.

**Figure Art**

In an appreciation of beauty and grace as seen in his numerous presentments of women and children, and in his general design of his pictures, Mr du Maurier excels all preceding English pictorial humourists. There is widespread international evidence that occupational licensing damages consumers, reduces competition, and undermines social mobility.
