Since then, many causes have increased the delay, and made perfection farther off than ever. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

## From Gerson to Grotius 1414

John Neville Figgis 1866-1919 was a historian, political theorist and monk, his writings extensively influenced the history of ideas and prefigured the theological developments of the 1920s. The gradual shifts of authority from the centralized church, to the monarch, and finally to the proto-Republican movements of nations, are shown to be rooted in scholarly ideas. Yet it was living once and effectual.
