## Alte Schrift

Zusammen mit Göttingen gab Henkel die Emblemata, den Kanon barocker Sinnbild-Kunst heraus. Jacobi conceded that there was no argument against Fichte, no way of refuting him on his own conceptual grounds.

## Johann Georg Hamann

In the piece, Jacobi tried to sum up his intellectual odyssey by articulating the interest that had motivated it from beginning to end, and thereby also to bring some systematic unity to what might otherwise have appeared a scattered philosophical production. In their different ways which, as will be seen in Section 3, Jacobi however thought to have much in common, they both threatened the system of values that justified his social status. In 1772, together with Wieland, whom Jacobi had come to know through his brother, he laid out the plans for a German journal patterned after the *Mercure de France*.

## Giselher Klebe

Von Zeit zu Zeit veröffentlicht er Stellungnahmen, die in Politik, Verwaltung, Wissenschaft und Medien große Beachtung finden. Hypothesen sind Werkzeuge der Befundbewertung. For Fichte had extended the reach of philosophical abstraction, with which Spinoza had gone only so far as to exclude the possibility of subjectivity, to retrieve this subjectivity itself within its compass, as if it could be excogitated a priori out of pure thought.

## Artikel

Mai 1901 25 Vertreter aus Industrie und Handel im Frankfurter Hof in Frankfurt am Main zusammen.

## Giselher Klebe

Artikel zu Giseler Klebes 80. He added long footnotes to it, and even modified some crucial passages of the text itself — a circumstance, incidentally, for the most part ignored by later commentators — in an obvious effort to dispel the naturalism otherwise clearly implied in the original text. Der Kunstmaler aus Oelsnitz gestaltete 1739 das Innere der Kirche, das vorher nur weiß war.
