The solution, or so it seemed, was to follow the example set in England and allow private enterprise to do what the state could not. Very little has been published that would help answer these questions and most of what has been published simply repeats the statements Lucy Crawford made in her History. The act required road construction to begin within two years and be completed within seven years or the road would revert to the Commonwealth.

Between the Bars: Kinchley's Tavern and Star Tavern

Felker, who it needs saying again is a private person by nature, suddenly found himself under a microscope far beyond just message boards and Instagram comments.

TURNPIKE TAVERN, Liverpool

The Commonwealth of Virginia provided some of the funding for the initial construction by purchasing at least 42 shares in March 1805. It cannot overshadow the legacy of Turnpike, but it also cannot go unchecked.

Tenth New Hampshire

Captain Ammidon served two weeks in Rhode Island at the beginning of March 1781 as part of Colonel Dean's regiment.
