Chapter 2

That feeling of accomplishment when the epilogue gives deep satisfaction, a better love than the rushed first impression of the early pages.

Chapter 2

Come an' ha' thy supper, come. That is the furniture of the dining-room.

Before the first stroke had died away, Sandy Jim had loosed his plane and was reaching his jacket; Wiry Ben had left a screw half driven in, and thrown his screwdriver into his tool-basket; Mum Taft, who, true to his name, had kept silence throughout the previous conversation, had flung down his hammer as he was in the act of lifting it; and Seth, too, had straightened his back, and was putting out his hand towards his paper cap.

Adam Bede

The cast list of Adam Bede is vast and supremely well marshalled. That was tragic and beautiful as well, but I was so much more drawn into the characters of Adam Bede. And maybe the ending is contrived and a bit awkward.

Adam Bede, by George Eliot

They spat upon him and buffeted him, they scourged him, they mocked him, they laid the heavy cross on his bruised shoulders. A well worn copy, gennerly clean with pages browned.

The small brown hand with which she is lifting her queen is laden with pearls, diamonds, and turquoises; and a large black veil is very carefully adjusted over the crown of her cap, and falls in sharp contrast on the white folds about her neck. Chapter II The Preaching About a quarter to seven there was an unusual appearance of excitement in the village of Hayslope, and through the whole length of its little street, from the

Donnithorne Arms to the churchyard gate, the inhabitants had evidently been drawn out of their houses by something more than the pleasure of lounging in the evening sunshine.

He knew he shouldn't be doing what he was doing, and he talked himself out of it many times, but when it came to the point he still did it. Her dark eyes are somewhat dim now—perhaps from too much crying—but her broadly marked eyebrows are still black, her teeth are sound, and as she stands knitting rapidly and unconsciously with her work-hardened hands, she has as firmly upright an attitude as when she is carrying a pail of water on her head from the spring.
