The SAGE Handbook of Qualitative Research

The Routledge Handbook of Qualitative Research in Sport and Exercise is the first book to offer an in-depth survey of established and emerging qualitative methods, from conceptual first principles to practice and process. Preissle has done extensive studies on the role of schools and classrooms in the socialization of rural children to gender and other roles; like Preissle, LeCompte has had a long interest in studies of classroom interaction. Book Description: A new handbook addressing the qualitative approach.
