## France

A novelist would need pages--perhaps even a chapter--to express what the playwright so expertly and deftly shows. Director Wesley Wales Anderson was born in Houston, Texas. Space is everything in the theatre.

## Theatre of France

Director Barry Levinson was born in Baltimore, Maryland, to Violet Krichinsky and Irvin Levinson, who worked in furniture and appliance.

## Famous Directors

Writer Quentin Jerome Tarantino was born in Knoxville, Tennessee.

## Farce is everywhere on stage

Much of American radio drama is restricted to rebroadcasts or of programs from previous decades. The film is a perplexing visual treat with a bizarre storyline that follows Denis Lavant as he transforms into different characters and travels around the city, interacting with all of the strange people. His grandparents were originally from Lithuania, but relocated to France in the 1920s.

## MODERN STAGE SERVICES PRIVATE LIMITED

. This is a method that makes the actors in the scene seem more authentic to the audience. Although women directors are accepted in the social environment in Taiwan—which emphasizes equal opportunities for everybody—in practice, men have the advantage of being hired for big-budget, commercial productions and for getting government funding for large exhibition performances.
