**Latin epigraphy : an introduction to the study of Latin inscriptions : Sandys, John Edwin, Sir, 1844**

Illustrated introduction to Latin epigraphy. Mestiere di epigrafista: Guida alla schedatura del materiale epigrafico lapideo. The Inscriptiones Graecae IG are an academic project originally begun by the Prussian Academy of Science, and today continued by its successor organisation, the Berlin-Brandenburgische Akademie der Wissenschaften.

**Illustrated Introduction to Latin Epigraphy, Paperback by Gordon, Arthur Erne...**

Epigraphic evidence: Ancient history from inscriptions. Volumes of the IG available online through HathiTrust UB only.

**Illustrated Introduction to Latin Epigraphy : Arthur E. Gordon : 9780520050792**

Paris: Picard, 2007 ; Alfredo Buonopane, Manuale di epigrafia latina Rome: Carocci, 2009.

**Illustrated Introduction to Latin Epigraphy**

It is especially noteworthy for its long list of abbreviations found in Latin inscriptions.

**Illustrated introduction to Latin epigraphy : Gordon, Arthur Ernest, 1902**

This list may not be complete. General Overviews Introductions to Latin epigraphy in general belong to one of two groups: those works that are especially aimed at teaching how to read, interpret, and contextualize particular documents and those more broadly aimed at how to employ inscriptions in research. Not only are inscriptions often crucial to historical work, but their interpretation also requires an excellent knowledge of classical languages and literature.

**Illustrated Introduction to Latin Epigraphy, Paperback by Gordon, Arthur Erne...**

From 1902 to 1931, Ulrich von Wilamowitz-Moellendorff was in control of the project; he reorganised and re-energised the IG, turning it into one of the most important series for the publication of source material in classical studies.

**Illustrated Introduction to Latin Epigraphy, Paperback by Gordon, Arthur Erne...**

The first group has many more representatives, most notably and the still-useful introduction in.

**Illustrated Introduction to Latin Epigraphy, Paperback by Gordon, Arthur Erne...**

Its aim is to collect and publish all known ancient inscriptions from the mainland and islands of Greece.
