Difference of Coordination between Alkali

Unfortunately, it became a common practice for people to privately cast these iron coins.

JACKY CHEUNG

Many visitors to this website, however, have a specific interest in these ancient Chinese coins themselves. However, there is a great deal of controversy as to whether these two coins are authentic or not.

Huang Zhong

These coins are small, thin and poorly cast. These coins may also be references to specific varieties of yong an wu zhu coins which have yet to be clearly identified.

Book of Changes : Yi Jing : Qian

These coins were cast during the years 919-924. There are many fake da qi tong bao coins. This coin was initially valued at the equivalent of ten of the bu quan , or fifty of the yong an wu zhu coins.

JACKY CHEUNG

After the overthrow the Qin, the Han dynasty was founded by Emperor. Forget me, if there's no alternative and go towards the happiness No matter how much worries I have for you, I've no rights to express it anymore the greetings from the ex-lover, feels more embarrassing than the strangers' Yesterday is far away, tomorrow is still long the memories are fuzzy but are great The night like this, how do you expect the tears not to drop Asking myself if I have get used to it Without you, when the night arrives, the echo becomes enormous is there any method to let this loneliness be more obedient How have you been recently are you also struggling in the thoughts? The second type of zhi zheng tong bao has, on the reverse side, the year written as the Earthly Stem in Mongol above the square hole and also the denomination written below the hole.

Chinese Coins

Despite its crude appearance, the characters are actually very well cast in high relief.

Romance of the Three Kingdoms IX

Many of these coins were melted down to be used to make metal utensils and, as a result, few of these coins exist today. Emperor Shi Zong has the distinction of having cast the largest coin in Chinese history.

Romance of the Three Kingdoms IX

This particular variety, however, seems to only exist in rubbings published in old coin catalogs.
